We are home to some 4,000 of London's fastest growing and established brands from a diverse range of sectors. Our purpose, to give businesses the freedom to grow, is based on the belief that in the right space, teams can achieve more. That in environments they tailor themselves, free from constraint and compromise, teams are best able to collaborate, build their culture and realise their potential.

We have a unique combination of a highly effective and scalable operating platform, a portfolio of distinctive properties, and an ownership model that allows us to offer true flexibility. We provide

customers with blank canvas space to create a home for their business, alongside leases that give them the freedom to easily scale up and down within our well-connected, extensive portfolio.
